## Monroe County United Ministries

### Who We Are

Monroe County United Ministries (MCUM) creates lasting solutions to economic, educational and social injustice in our community through quality services, collaboration and innovation. We provide high-quality early childhood education, self-sufficiency services, and basic needs assistance for those in financial crisis.

### A Brief History

MCUM opened in 1939 as a day care for low income families and evolved over time to include other services, like a food pantry, rummage shop, and even a credit union. Over the years MCUM has grown and changed to meet the needs of the community. Our goal is to eliminate generational poverty for the people we serve.
